## 12.Solapur Super Thermal Power Project

For NTPC e-procurement a new dedicated website <https://eprocurementpc.nic.in> has been created where all the e-tenders of NTPC will be published and bids will be submitted there. To be able to participate in NTPC e-tenders, you will be required to register yourself on this website which is a very simple process. After registering you can log-in to the site and get your Digital Signing Certificate (Class III) linked to your User ID.

For mapping of your e-tendering User ID to your existing NTPC vendor code, please furnish the following information by email/fax to the C&M deptt. of any one of the NTPC station where you are planning to quote:

- (a) NTPC Vendor Code
- (b) E-tendering User ID preferably having email address in company domain name (Bidders not having their own e-mail domain should send the scanned copy of the request signed by the designated official on the company letterhead)
- (c) Your landline/mobile number
- (d) Scanned copy of PAN
- (e) Scanned copy of TIN/Service Tax/GST number
- (f) Information about any other user ID for the same company (if known)

The activities mentioned above are a one-time activity after which you can freely participate in any tender floated by any station of NTPC with the same User ID/DSC combination.

Presently bidders who are dealing with the above-mentioned plants should start getting registered at our new e-tendering portal (<https://eprocurementpc.nic.in>) and get their User ID mapped against their NTPC vendor code to be able to participate in tenders floated by these plants. Mapping done at any Plant/Office of NTPC will be valid for all locations.

Details are to be sent to any one location you are dealing with. Contact details of concerned executives of above mentioned offices/plants are being provided below :
